

Your Green Burial Planning Guide

Identify Your Environmental Aims

The ranking of these environmental benefits can be used to ensure your final arrangements are reflective of the environmental considerations most important to you. Environmental benefits that mean the most to me in order of importance are: (*#1 most important, #4 least important*)

- # _____ Conservation of natural resources
- # _____ Reduction of carbon emissions
- # _____ Protection of worker health
- # _____ Preservation/restoration of habitat

Identify Your Economic Aims

- # _____ Forgo viewing
- # _____ Eliminate the vault
- # _____ Opportunity to put a second body in the grave
- # _____ Simple casket or shroud

Identify Your Spiritual Aims

- # _____ Family members at graveside to view
- # _____ Participation of family/friends, encouraging ritual
- # _____ Creating an authentic religious experience
- # _____ Making a spiritual connection with nature, acknowledging the life cycle

Designate a Funeral Service Provider

My preference is to have my funeral coordinated by:

A funeral establishment belonging to the Green Burial Council's network of approved providers prepared to conduct my green burial*

Contact information: _____

A family member/friend whom I have chosen to handle my arrangements**

Contact information: _____

Other (*Explain relationship; if applicable, indicate location of your Designated Agent documentation*)

Contact information: _____

**If you have prearrangements with a funeral home that is not a part of the Green Burial Council list of approved providers, discuss your intentions with your funeral director to determine if they can meet your needs. The Green Burial Council is happy to assist the funeral home in understanding the procedures for facilitating a green burial.*

*** Please check to ensure that your state allows for a funeral to be facilitated without a licensed funeral director. As of 2012 the list of states that require families to use a licensed funeral director are as follows: CT, IA, IL, IN, LA, MI, NE, NJ, and NY.*

How I Want My Body Prepared

I approve of the following practices/products to temporarily preserve my body after my death:

- Dry Ice
- Techni-ice or ice packs
- Refrigeration
- Topical application (i.e. sprays, compounds) using nontoxic, essential oils
- Topical application and/or internal injection (excluding arterial injection) using nontoxic, essential oils
- Topical application and/or internal injection (including arterial injection) using nontoxic, essential oils

Choosing My Burial Container

My preference is for one of the following GBC approved:

- Casket
- Shroud
- Urn

I wish to have my burial container obtained from:

Other (*Explain*) _____

Designing My Funeral Service

My preference is for a:

- Private open casket funeral
- Private closed casket funeral
- Public open casket funeral
- Public closed casket funeral
- Public closed casket funeral with a private viewing of my body prior to the funeral
- Public closed casket funeral with a private viewing of my body after the funeral
- Other (*Explain*) _____

My preference is to have:

- A graveside funeral only

_____ A funeral at my home
_____ A funeral at the funeral home handling my arrangements (*identified above*)
_____ A funeral at the following specified location:
_____ Other (*Explain*) _____

Where I Wish to Be Buried

_____ I have made arrangements for burial at _____
Contact information _____
_____ I have not made arrangements for burial at a cemetery
_____ I would like to be buried on my property (*at the location identified on the map attached to this document*) and have verified with my local planning/zoning board that burial is allowed to take place on this property
_____ Other (*Explain*) _____

My contingency plan in case there are no green burial grounds in or near my community is to have my body transported to:

_____ A GBC approved burial ground within 1000 miles of my home
_____ A GBC approved burial ground within 500 miles of my home
_____ A GBC approved burial ground within 100 miles of my home
_____ Other (*Explain*) _____

Marking My Grave

I would like to have:*

_____ A tree as a marker
_____ No marker on top of my grave
_____ A rock as a marker
_____ My name listed on a central/memorial marker
_____ Wildflowers or native plants planted on top of my grave instead of a marker
_____ A rock as a marker engraved with the following words: _____

Other (*Explain*) _____

**Please be advised that these choices will not be available at all cemeteries. Please contact individual cemeteries to determine which options are available.*

If I Choose Cremation

I would like to:

_____ Choose a cremation technology that leaves a lower carbon footprint

_____ Choose a cremation facility that recycles medical parts

_____ Offset the carbon emissions from cremation by making a donation in the amount of \$ _____
to the following carbon fund _____

_____ Choose to have my cremains go into a biodegradable urn

_____ Have my ashes given to _____

I request that they be committed in the following manner _____

Other (Explain) _____

Signature

Date

Printed Name

Recommendations

This document was created to assist in the planning and facilitation of your green burial. It addresses the components of a green funeral/burial, and serves as a supplement to any other end-of-life planner you may be using. A full list of Green Burial Council approved funeral establishments, cemeteries, and product manufacturers can be found at: <http://www.greenburialcouncil.org/finding-a-provider/>

The GBC suggests that you email and/or give hard copies of this completed Planning Guide to a family member/friend, your next-of-kin, attorney, estate planner and the funeral home and/or cemetery with whom you have made your final arrangements, along with any other specific instructions you have made regarding your funeral/burial. If you need further help or have any questions, please email the Green Burial Council at info@greenburialcouncil.org or call 888-966-3330.

For detailed information about what constitutes a green burial, see the Green Burial Council publication **Four Ways to Ensure an Eco-Friendly Burial**, available for download on the website www.greenburialcouncil.org
